Innovative and results-driven Software Engineer with 12+ years of experience across Java Programming, Quality Assurance, and DevOps. Adept at delivering robust solutions, improving development pipelines, and fostering high-quality standards in software delivery.

## Java Programming Experience

- Senior Java Developer – FinTech Solutions Inc. (2021–2023) – Led a team in developing microservices architecture handling \$50M monthly transactions.
- Java Software Engineer – HealthTech Corp. (2019–2021) – Built scalable APIs integrating with hospital systems.
- Backend Developer – Global Logistics SA (2017–2019) – Developed shipment tracking systems using Spring Boot.
- Java Consultant – InnovApp Ltd. (2015–2017) – Migrated monolithic systems to modern REST-based services.
- Junior Java Developer – WebPrime (2013–2015) – Created internal tools for e-commerce analytics.

## Quality Assurance Experience

- QA Lead – SafePay Ltd. (2021–2023) – Implemented automated testing framework reducing bugs by 40%.
- Senior QA Engineer – CloudWare Systems (2019–2021) – Designed performance testing strategy for SaaS products.
- QA Analyst – EduPortal (2017–2019) – Improved regression testing reducing release cycle time by 25%.
- Automation Tester – SmartBank (2015–2017) – Developed Selenium-based test automation for banking apps.
- Junior QA Tester – WebPrime (2013–2015) – Performed manual testing for e-commerce platforms.

## DevOps Experience

- DevOps Architect – SkyDeploy (2021–2023) – Designed CI/CD pipelines on AWS reducing deployment time by 70%.
- Senior DevOps Engineer – GreenCloud (2019–2021) – Migrated infrastructure to Kubernetes with zero downtime.
- DevOps Specialist – AutoScale Systems (2017–2019) – Implemented monitoring with Prometheus & Grafana.

- Site Reliability Engineer – DataFlow Ltd. (2015–2017) – Improved uptime from 97% to 99.99%.
- DevOps Engineer – WebPrime (2013–2015) – Automated deployment scripts for PHP and Java applications.

## **Post-Degree Specializations**

- Post-Graduate Specialization in Java Programming – University of São Paulo (2016)
- Post-Graduate Specialization in Quality Assurance – Federal University of Rio de Janeiro (2018)
- Post-Graduate Specialization in DevOps – Pontifical Catholic University of Paraná (2020)
